

Explorer Post 116

The only Fire-Rescue Explorer Post in South Hampton Roads is Explorer Post 116. This opportunity gives students a chance to interact with professional firefighters and paramedics while learning about a career in public safety and emergency services. Current high school students must maintain a “C” average and older members must have graduated high school or completed their GED.

What to expect during your time as an Explorer:

- Receiving instruction in basic firefighting operations
- Assist and attend Fire/EMS instructional shows/demonstrations
- Assist with recruit academy training and testing
- Provide first aid and safety standby at various events
- Compete in skill challenges locally and within the state
