## Sanitary Sewer & Water Infrastructure Improvements for Chesterfield Heights Neighborhood

**February 6, 2019**

The City of Norfolk Department of Utilities is pleased to announce that we are working with the Ohio Creek Watershed Project to replace the sewer and water infrastructure in your neighborhood. The first phase of this effort on Chesterfield Boulevard, Westminster Avenue, Earl's Court, and Kimball Terrace is scheduled to begin by early March; the project area is shown on the map on the back. This work will be the first of several phases in the Chesterfield Heights neighborhood.

**Construction Begins:** Late February/early March 2019

**Construction Ends:** Summer 2019

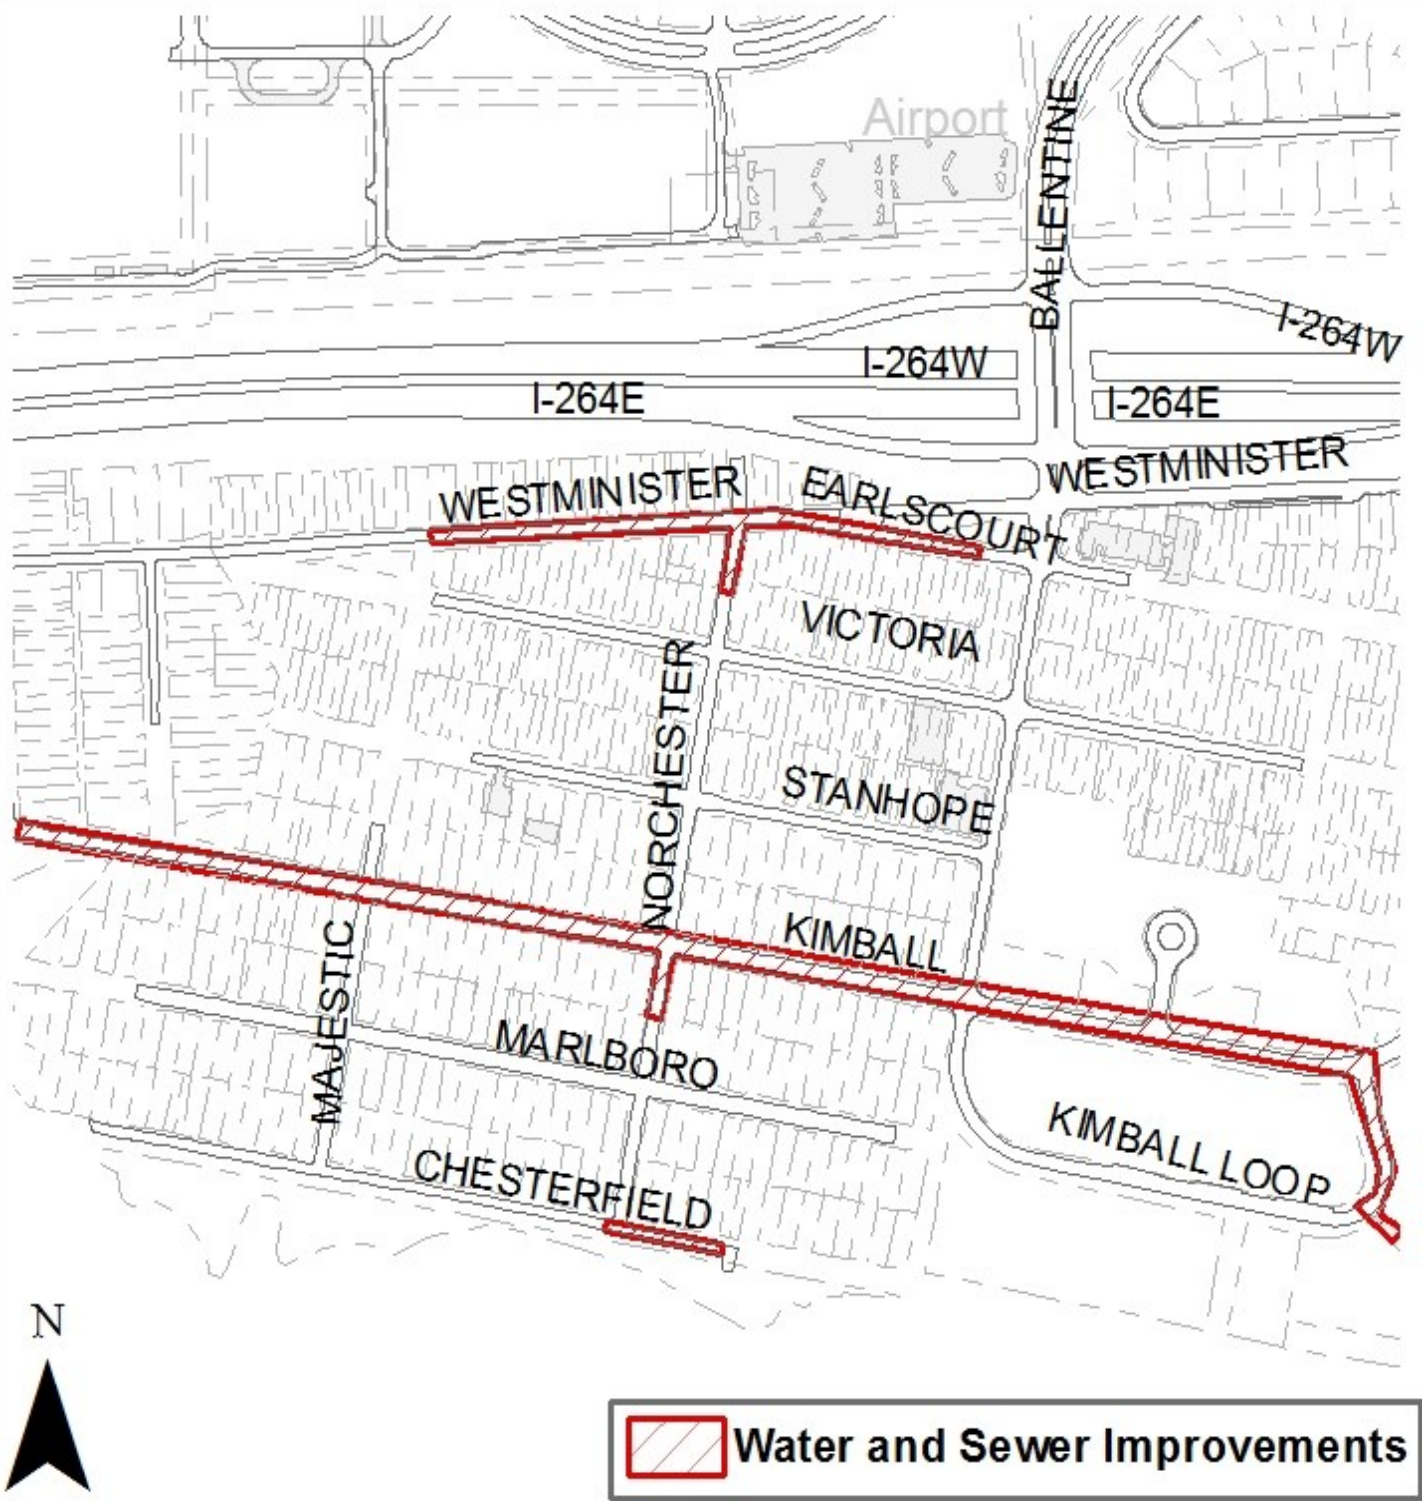

**Contractors:** Tidewater Utility Construction and TA Sheets

**Access:** Access to businesses and residences will be maintained throughout construction.

The City and our contractors will do our best to minimize the unavoidable disruptions associated with the construction. If you have any questions regarding this project, please do not hesitate to contact the City's on-site construction inspectors, Jamal Dean & Alex Swafford. They can be reached by cell phone at 621-5216 for Jamal Dean, and 621-4086 for Alex Swafford, to respond quickly. You may also contact the project manager, Rick Dempsey, at 664-6719 or [richard.dempsey@norfolk.gov](mailto:richard.dempsey@norfolk.gov).

The Department of Utilities looks forward to completing this project that will enhance your sewer & water services for years to come.
