

GRANBY STREET BRIDGE REHABILITATION

LOCATION

Lafayette River between E. 42nd Street and Willow Wood Drive (over Lafayette River)

PROJECT INFORMATION

This project will improve the condition of the Granby Street Bridge by repairing key structural components and protecting bridge elements from deterioration.

SCOPE OF WORK

- New latex modified concrete deck overlay
- Repair structural components
- Seal and waterproof bridge components
- Replace new elastomeric bearings and expansion joints
- Reconstruct portions of roadway and sidewalk at bridge approaches

PROJECT STATUS:

Under Construction

PROJECT SCHEDULE

Start Date: September 2020

Completion Date: Late 2022

PROJECT COST

\$7,000,000

CONSTRUCTION/TRAFFIC IMPACTS

- Bike lane is closed until end of project. The northbound (east) side of the bridge is closed until Fall 2021, with two (2) lanes open southbound and one (1) lane open northbound. Closure of southbound (west) side of the bridge is anticipated in early 2022.
