

# CENTRAL BRAMBLETON RETENTION PONDS

## LOCATION

Cecelia Street (between East Virginia Beach Blvd. & Corprew St.)

## PROJECT INFORMATION

This project will upgrade and expand the existing pond along with the construction of a second pond. Pumps will also be added to allow removal of pond water before a large rain event. The project will improve water quality, increase storage capacity, establish a habitat for native wildlife and enhance the overall visual aesthetic of the community.

## SCOPE OF WORK

- Removal of small peninsulas to increase capacity of current pond.
- Addition of second pond.
