

PROJECT: DREDGING & BEACH IMPROVEMENTS

LOCATION

- Regent Road and West Belvedere Road

PROJECT INFORMATION

This project will result in dredging recreational boating channels in the coves of the Lafayette River adjacent to Regent Road and West Belvedere Road.

SCOPE OF WORK

- Installation of 1,526 linear feet on Regent Road and 1,922 linear feet on West Belvedere Road of public navigational channel. Both will be 4 to 5 feet in depth and require the disposal of approximately 12,200 total cubic yards of material at Craney Island.
- Residents, along Regent Road and West Belvedere Road, will have the opportunity to have private dredging performed for their access channels and boat basins, while the City's contractor is mobilized in the basin.

PROJECT STATUS

COMPLETE
