

North Colley Avenue Pedestrian Improvements

Location

Colley Avenue (38th Street to 52nd Street)

Project Benefits

This project will improve pedestrian safety along the northern corridor of Colley Avenue. The proposed improvements will include curb extensions (commonly known as “bulb outs”) to shorten pedestrian crossings. Other improvements will also include new pedestrian countdown signals at the intersection of Colley Avenue and 42nd Street and high visibility crosswalk markings at intersections along Colley Avenue. The project also includes LED streetlight upgrades by Dominion Energy.

Scope of Work

- Pedestrian signals at Colley Ave and 42nd Street
- High visibility crosswalk markings
- Curb extensions (“bulb outs”)

Project Status

Under Construction

Project Schedule

- Public Meetings: Winter 2019
- Construction start: Spring 2020
- Construction completion: Summer 2020

Project Funding

Capital Improvement (0% Federal/State, 100% Local)
\$560,000 (\$0 Federal/State, \$560,000 Local)

Construction Impacts

- Lane closures will be required but closures will be short and have minimal impact to traffic

Civic Engagement

- Ward 2 (Councilwoman Doyle)
- Superward 6 (Councilwoman McClellan)
- Highland Park Civic League
- Colonial Place/Riverview Civic League
