

E. Little Creek Road and Shore Drive Improvements (UPC 113201)

Location

E. Little Creek Road and Shore Drive Intersection

Project Benefits

This project will modify the intersection geometry and operations to improve traffic congestion and pedestrian safety.

Scope of Work

- Add second left turn lane on northbound Shore Drive to Little Creek Road
- Upgrade pedestrian facilities to meet ADA requirements
- Modify medians and curb lines to shorten pedestrian crossing distances
- Replace traffic signal equipment to accommodate improvements

Project Status

This project is currently in design. To receive project update emails, contact the Project Manager. Click on the following link to see the **Design Exhibit**: <https://www.norfolk.gov/DocumentCenter/View/63334/Little-Creek-Shore-Public-Exhibit>

Project Schedule

- Anticipated advertisement: Fall 2022
- Anticipated construction Start:: Spring 2023
- Anticipated construction completion: Late 2024

Project Funding

Revenue Sharing: \$1,262,800 (\$631,400 State, \$631,400 Local)
Additional Local Funds: \$350,000

Construction Impacts

- Temporary lane closures will be required.
- Pedestrian detours will provide safe passage for pedestrians through the intersection.

Civic Engagement

- Ward 5 (Councilman Thomas Smigiel)
- Superward 6 (Councilwoman Andria McClellan)
- East Ocean View, Camellia Shores, North Camellia Acres, and Camellia Gardens Civic Leagues
