

GLENWOOD PARK DRAINAGE IMPROVEMENTS

LOCATION

Glenwood Park area - Hampton Boulevard to the west, Norfolk Southern Sewells Point Line to the north, and Norfolk Naval Station to the south and east.

PROJECT INFORMATION

The neighborhood is susceptible to flooding from poorly planned storm water system and may have been exacerbated by the development of the Sewells Point Apartment complex in the neighborhood. The improvements will improve the collection, movement, and discharge of stormwater runoff to reduce flooding.

SCOPE OF WORK

- Install new storm drainage conveyance system consisting of pipes and structures
- Remove/replace portions of curb and gutter, and sidewalk
- Asphalt mill and overlay & pavement patch

PROJECT STATUS:

Under Design/Permitting
