

GLENROCK DRAINAGE IMPROVEMENTS

LOCATION

Glenrock Civic League Area - Military Highway to the west, I-64 to the east, Poplar Hall Drive to the North and I-264 to the south

PROJECT INFORMATION

The neighborhood's storm water infrastructure was developed to county standards and relies on roadside ditches and an undersized stormwater system. The project will provide storm drainage infrastructure in a residential neighborhood to manage the 10-year storm event. The improvements will improve the collection, movement, and discharge of stormwater runoff to reduce flooding.

SCOPE OF WORK

- Install new storm drainage conveyance system consisting of pipes and structures in multiple phases
- Remove/replace asphalt pavement
