

Recycling Tonnage

The Department of Public Works uses TFC Recycling for the City's curbside recycling collection.

Public Works revamped recycling education on Keep Norfolk Beautiful [website](#) to help clarify what can and cannot be recycled.

TFC Recycling collects thousand of pounds of recyclable materials are collected at the curbside each month. Recycling is easy and makes a significant impact on the reducing litter.

Did you know that the 2021 Ford F-250 weighs almost **4** tons? In FY2021, TCF Recycling collected almost the equivalent weight of **3 F-250 trucks**. That's a lot of recyclables!
