What is changing:

The summer foodservice program (SFSP) is a federal program. Due to changes at the national level, during this year’s summer academic break, we will no longer offer supper, weekend meals, or multiple days of food at one time.

Under normal circumstances, children must be present to receive a meal and they must consume it on-site. Grab-N-Go Meals and parent pick-up are authorized only in situations where congregate meal service is limited by the COVID-19 pandemic, as determined by local health metrics.

What is not changing:

No application, registration, or identification is needed.

While participation in NPS summer academic programs is highly encouraged for students, it is not required to receive a meal.

Meals provided are nutritious, tasty, and follow USDA’s nutrition guidelines. Locally-grown foods are utilized when possible.

Updates to the schedule will be posted on [School Nutrition / Overview \(npsk12.com\)](https://www.npsk12.com/school-nutrition/overview).

To contact the office of School Nutrition, please email schoolnutriton@nps.k12.va.us or call (757) 628-
